

THE EUTAWVILLE FLIERS CLUB NEWS LETTER

MARCH 2009

The club meeting was held at the Alpine Restaurant in Eutawville on February 25th 2009.

The March meeting was poorly attended, as was the February meeting. The secretary could not attend, so Ken and Roy took some notes. Below is a list of the members and guest that showed up.

*KEN MAHONEY SHANE DROZE SPENCER & JANIE EDMONDS BOBBY JOHNSON
GERRY DUFRESNE DENNIS MARTIN & JULIE ALLEN & LINDA PERINGOTTI ROY SMITH*

The President opened the meeting at 1900 hrs. Gene had sent copies of the Treasurer's report and they were passed around to read prior to the meeting. Ken asked for the report to be accepted as read by the members present. The report was approved and accepted. Ken then asked that the minutes of the February meeting be approved as received by the membership. They were accepted and approved. Ken moved on to the next order of business.

SPECIAL ANNOUNCEMENTS:

No announcements were offered.

GROUNDS COMMITTEE:

Ken offered the following information, On March 19th, Bob Love, Gene Guthan, Bobby Johnson and Phillip Winingham met at the field. Bob and Bobby took the sign up to the persons who are to repaint it. Gene and Phillip serviced the Sears mower. Gene, Phillip and Bob then cut part of the field. Next day Gene and Phillip returned and completed mowing and trimming the field, this was the first cut of the 09 season. The fence posts were also moved to the area of the new fence placement.

The field was sprayed for weeds and fertilized this week; hopefully this will improve the turf condition.

OLD BUSINESS:

Ken said that Shane had donated the carpet to fix the flight stands and Ken had attached it.

The container was discussed; Gerry, Bob, Roy, and Ken had sanded and primed it getting it ready for a finish coat. The condition of the container roof was discussed and it was decided that it would be cool sealed to prevent rust from running down the sides. This will be done as soon as weather permits.

Bobby stated that the sign might be delayed getting done as the person doing it had medical problems. Ken said that if it could not be finished in a week we would retrieve it and do it ourselves. Dennis will stop by the place and see what progress has been made.

Ken said the new section of fence would be erected as soon as weather permits and a work crew assembled. With four or five people it should go up without overworking anyone.

NEW BUSINESS:

Bobby will get the roller and bring it to the field. It can be secured near the clubhouse.

The request for the C-17 exhibits from the base was re applied for when the Public Affairs Dept on the base said they had not received it. Ken is handling this.

The next meeting will be held on April 22nd.

GOD BLESS OUR CLUB AND ITS' MEMBERS

Gene
