Ricky stated that the moles and briars are not nearly as bad as in the past couple of months, but the fence lines and borders needs to be sprayed with round up again. Ricky will pick up Roundup and spray the field on July 8 when he cuts. Overall, the field is in great shape.

NEW BUSINESS:

Ken asked for any new business. Paul asked about becoming an officer to access the AMA website. Members voted Paul as our new Webmaster Officer. Ricky will handle the paperwork for Paul to be able to authorize any changes to the AMA club roster listings.

Flight stands were brought up. Roy said there were to be 4 built, not 2 as stated in the newsletter. Richard Monday will build 2 stands for the July 31 flyin and the club will pay for materials. There were no other volunteers for the other 2 to be built before the flyin.

Ricky brought up that the club needed a new wind sock. He will check the hobby shop to see if a free wind sock has come in as was promised before the past May Flyin. If not, the club will order a new wind sock from AMA.

Roy reminded members July 31st is the Mr. Bobby Flyin. Next club meeting will be on Sunday July 25th. Flyin details will be discussed at that time. Hamburgers and hotdogs were still agreed to be served at the Flyin.

Club members will line the field along the flightline before the event.

Members voted in Walter Clark as a new member to our club. WELCOME WALTER CLARK!!

Members voted to move time of monthly meeting back to 3 pm. This will allow members that go to church to get home, change clothes, eat something, and make it to the field in time for the meeting.

Members also voted on having a no parking area in front of the flightline metal shed on the club house side. Parking cars/ trucks in the area stops any wind circulation from going thru the shed. NEXT MONTHLY MEETING WILL BE AT 3 PM SUNDAY, JULY 25, 2010 AT THE FIELD
